

Heavy Equipment Technician

JOB TYPE | Permanent, Full-Time, Year Round

LOCATION | Blackfalds, Alberta

DIVISION | Maintenance Facility

START DATE | As soon as possible

Eagle Builders is a local, family-owned, and operated manufacturing construction company guided by Christian beliefs and values. We specialize in the design, engineering, fabrication, and building of precast concrete structures.

Position Summary

Are you a skilled Heavy Equipment Technician with a talent for solving mechanical challenges? Eagle Builders is seeking a dedicated professional to support the maintenance, repair, and troubleshooting of our equipment, ensuring smooth and efficient operations.

This full-time position will be situated in our mechanics bay in Blackfalds. The ideal candidate possesses a Journeyman or 3rd-year apprentice ticket and previous experience with industrial and construction equipment. The successful candidate will be physically fit, as this is a position that requires you to perform labor-intensive work at a relatively fast pace.

Job Description

- Responsible for diagnosing, repairing, and maintaining all fleet vehicles, cranes, semi-trucks, and heavy equipment
- Maintain a detailed report and perform scheduled inspection and maintenance on all fleet as per the company maintenance program
- Adjust equipment and replace defective parts, components, or systems
- Test equipment for proper performance and ensure that it is working to meet manufacturers' and legislated regulations
- Meeting and exceeding high standards of accuracy and quality based on established systems, programs, technology, and guidelines
- Planning, organizing, and prioritizing in an effective sequence to be efficient
- Communicate and coordinate with internal and/or external parties as required
- Maintain a suitable inventory of wearable parts
- Read, research and problem-solve to find required solutions
- Ensure compliance with company safety policies and procedures

Requirements

- 3rd year Heavy Duty Apprentice or Journeyman
- Valid Class 5 drivers' license, acceptable abstract and reliable transportation
